Your right of withdrawal

You have the right to withdraw from this contract within 14 days without giving any reason. The withdrawal period begins on the day on which the contract is concluded.

How to exercise this right

To exercise your right of withdrawal, send an unequivocal statement to NKI_Photography, proprietor Zülfikar Naki Eken, Industriestr. 18, 47226 Duisburg, Germany, email: info@nkiphotography.de, telephone: +49 176 206 18136. You may use email or post. You may use the attached model withdrawal form, but this is not mandatory. You may also use the online function at https://nkiphotography.de/shop/widerruf.php?lang=en. Select “Withdraw from contract”, enter the required information and confirm the withdrawal in the second step. If you use that function, receipt will be confirmed without undue delay by email (a durable medium), stating the content, date and time of receipt. You need not give a reason. It is sufficient for you to send your statement before the withdrawal period expires.

Effects of withdrawal

If you withdraw from this contract, we will reimburse all payments received from you for the contract without undue delay and in any event no later than 14 days after receiving your notice of withdrawal. We will use the same method of payment as you used for the original transaction unless you have expressly agreed otherwise. You will not incur any fees as a result of the reimbursement. This is subject to applicable law, including any proportional compensation lawfully payable for services already provided. If you expressly requested that the service begin during the withdrawal period and the further legal requirements are met, you may have to pay a reasonable amount proportional to the services already provided when you informed us of your withdrawal.

Early expiry of the withdrawal right

For this individually provided paid service, the right of withdrawal may expire before the end of the 14-day period only once we have fully performed the agreed service and you have, before editing began, expressly consented to performance during the withdrawal period and confirmed your knowledge that the right expires once performance is complete, subject to the statutory requirements. Payment or the mere start of editing does not automatically end your withdrawal right.
